EXPERIENCE

3Pillar Global, Remote - *Senior Product Designer*

January 2025 - PRESENT

- Led wireframing, user interface (UI) design, and rapid prototyping, including the use of AI-powered design tools, for an infrastructure and networks client ranked in the Fortune 100.
- Established and managed a hyperlocal design system tailored for a specific team, ensuring adherence to the overarching company Design System constraints.
- Contributed to the collaborative design and prototyping of a major initiative to consolidate disparate systems and projects into a unified dashboard.

Gorilla Logic, Remote - *Senior UI/UX Consultant*

January 2021 - December 2024

- Led user research, usability testing, wireframing, and UI/UX design and prototyping for an award-winning commercial real estate management software.
- The software included document management, mapping capabilities, AI integration, property management, and comprehensive reporting.
- Managed stakeholder presentations and facilitated project meetings and agile rituals.

Sweetrush, Remote - *Senior UI Designer*

January 2019 - December 2020

- Designed user interfaces for multiple client projects, including Colgate and Deloitte.
- Developed responsive eLearning materials for internal training, optimized for mobile, tablet, and desktop viewing.

Creative Drive, San José, Costa Rica - *Art Director*

September 2017 - October 2018

Managed art direction and administration for a team of designers, including:

- Planning, status reporting, and task distribution.
- Leading client meetings and conducting benchmark presentations.
- Developing design, content, and sales pitch presentations for major brands such as Taco Bell, Pepsi and Gatorade.

Lionbridge, San José, Costa Rica - *Senior Visual Designer*

May 2015 - August 2017

- UI/UX, Landing page creation
- Social media and presentation design
- Branding
- Animation

Ogilvy & Mather, San José, Costa Rica - *Graphic Designer*

January 2014 - May 2015

- Supported the Coca-Cola company by creating print and digital media, illustrations, storyboards, and pitch presentations.

Area 203, San José, Costa Rica - *Junior Digital Designer*

May 2012 - August 2013

- Ad Creation and Banner designs for lending companies based in the US.
